Are you interested in coaching our new Jr. LEGO League Team? Do you have kids ages 6-9 who love LEGO?

I am looking for a coach (coaches) and team members for a Jr. LEGO League team (ages 6-9) for the 2011-2012 school year. This is a new league that will be parent run and organized, supported by the PTA. All participants will be required to volunteer and support the team. Meeting locations and times will be determined based upon the coach (coaches) preferences, similar to Odyssey of the Mind teams. Coaches' students will have preferential entry onto the team.

Interested? Contact me, Anna Carlen at anya.carlen@verizon.net.
