

Our Mission: To educate and prepare girls for a lifetime of self-respect and healthy living.

Girls on the Run® is a life-changing, experiential learning program for girls in grades 3 - 6. The program combines training for a 5k (3.1 mile) running event with self-esteem enhancing, uplifting workouts. The goals of the program are to encourage positive emotional, social, mental, and physical development.

Girls on the Run® meets in groups of up to 20 participants, twice weekly for a one-hour session to prepare for and complete the 5k. The program uses an innovative and fun curriculum designed exclusively for pre-teen girls to address specific life skills through the use of games, warm-ups and workouts.

Girls on the Run® participants explore the importance of being physically, mentally and emotionally healthy. They examine body image issues, stereotyping and discriminatory behaviors, as well as the importance of maintaining a realistic and healthy view of themselves.

Girls on the Run® concludes with the 5k that includes all the Northern Virginia GOTR girls. GOTR recommends that each girl have a partner ("buddy") to run with them, so this is a great opportunity for you or another adult to join her in the successful conclusion to her season. A link to register as a buddy will be on our website beginning in October (www.girlsontherunofnova.org). For non-runner families, GOTR will try to provide a volunteer buddy runner to safely escort your daughter across the finish line.

Girls on the Run - Hunters Woods Elementary School - Fall 2009
